DESCRIPTION

DB11 - V12

Vehicle in excellent condition with all maintenance carried out at the brand, only 31,000 kms.

The DB11 with V12 engine was the most powerful DB ever. Now, even more power can be unleashed from the powerful 5.2-litre V12 engine of the Aston Martin.

Available exclusively for the DB11 with V12 engine, the AMR Power Upgrade increases engine power by a considerable 30 hp, raising the total maximum power to an impressive 630 hp.

We accept trade-ins and offer financing up to 120 months with or without a down payment.
