DESCRIPTION

The Fiat Topolino Vilebrequin Collector's Edition is a limited and exclusive edition of FIAT's 100% electric quadricycle, developed in collaboration with the prestigious French beachwear brand Vilebrequin.

This version was designed to capture the spirit of summer and the elegance of the Riviera.

Nautical Design:

It features an exclusive two-tone paint in navy blue and white, as well as the iconic Vilebrequin turtle logo stamped on the driver's door and seats.

It is the only vehicle in its segment to include an integrated shower with fresh water tank at the rear, ideal for rinsing off after a day at the beach.

Premium Finishes:

It includes chrome details, teak wood details inspired by luxury yachts and a retractable canvas roof.

Technical Specifications:

It maintains the standard electric motorization of the Topolino, with a maximum speed of 45 km/h and a range of up to 75 km, ideal for short urban or coastal journeys.
