DESCRIPTION

Land Rover Serie 3 2.25L petrol, in an increasingly rare configuration in Portugal.

Original petrol engine, progressive, balanced, effortless. A car that drives naturally, without unnecessary noise.

Uncommon colour, with presence.

Equipped with overdrive, it retains the right elements: hard top, roof rack and winch. Everything coherent with the car, functional, without excesses.

Fitted with rare Goodyear G90 tyres, difficult to find, and which complete the original character of the whole.

Restoration carried out some decades ago by the renowned workshop João Manuel, Filha e Sobrinho, Lda, in Mora, Alentejo.

Mechanically in very good condition, with recent general service and brakes overhauled.

Fully functional vehicle in good condition.

Seating capacity 3 seats per Logbook

New tyres.

We accept trade-ins and offer financing up to 84 months with or without down payment.
