DESCRIPTION

Morgan Super 3 - in practically new condition

Morgan Motor Company, Ltd., was created in 1909 by H.F.S. Morgan, with the construction of the Morgan 3 Wheeler. The brand gained experience, and in 1936, launched the 4/4 model. Since then, Morgan Motor Company has become known worldwide for its charisma, the quality of its finishes and its total dedication to handcrafted construction.

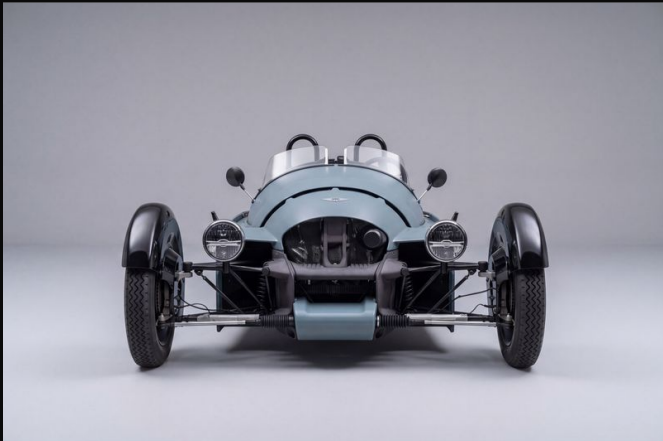

Three cylinders of 1.5 l, naturally aspirated, sourced from Ford. It is, in reality, the same engine block used by the Fiesta ST, but here without a turbo.

This example is the new Super 3, zero kms ready for delivery.

Vehicle is new, currently on display in our Showroom.

Vehicle extras valued at €16,000.
