Driving Pleasure:

It offers excellent agility with very direct steering and formidable cornering behaviour.

We can say that the new 208 GTi perfectly embodies all the spirit that still today brings a smile to everyone who had the opportunity to experience the legendary 205.

The dashboard is dominated by the excellent 7" touchscreen, the true multimedia heart with Arkamys sound system, six speakers and all the desirable connections, with two USB, Jack and 12V.
